# 2017

# SPRING LEAF COLLECTION

Please see the new Spring Leaf Collection Schedule below. We will be picking up Leaves in May this year. The pickups will be the same week as your Brush pickups, so please be sure to make 2 separate piles as there will be 2 separate crews doing the pickups. As per Ordinance #1544-90, "leaves are not to be placed in the street or traveled way and pursuant to State Stormwater Management Regulations, leaves may not be placed within ten (10) feet of storm drain inlets". You can make a pile at the edge of your property OR you can bag your leaves and put them to the curb in bags. Please have all your leaves out by the Sunday before your pickup week. We will only go through your district one time. We are not able to come back for leaves that are put out late. If you have any questions please call Public Works at 856-235-3520.
