WATER EMERGENCY ORDER BY THE TOWNSHIP MANAGER

July 6, 2010

To encourage water conservation and to reduce peak water demand, the Township of Moorestown now finds it necessary to impose **mandatory** restrictions to conserve the municipal water supply.

Pursuant to Ordinance No. 1430 (Municipal Code Section 175-48), these restrictions are effective immediately and will remain in effect until midnight, September 30, 2010.

A ban on the use of automatic sprinklers and sprinkler systems between 9:00 a.m. and 5:00 p.m. daily is in effect. Hand held hoses, however, are allowed at all times on permitted days.

Homeowners or businesspersons with address numbers ending in an **ODD** number are permitted to water or sprinkle their properties on **ODD** numbered days. Homeowners or businesspersons with address numbers ending with an **EVEN** number are permitted to water or sprinkle their properties on **EVEN** numbered days.
