Subject: 2013-2014 Contract for Removal, Transportation and Disposal of Wastewater Sludge(s) – 1 year contract extension

Mr. Butler,

Per your request please accept this correspondence as our interest in a one year extension of the above referenced contract as per our bid submission (See page 10 – Bid Equivalency and/or Exception Form). The extension period will be 1 May 2015 to 30 April 2016.

More specifically, per our bid Woolston Company will provide the required services for an increase of 3% to the present contract rate of \$9.89 / ton. The contract rate per ton for the extension period will be \$10.19.

Thank you for the opportunity to continue the provision of these services. Should you have any questions or require additional information, please do not hesitate to call.

Sincerely,

A handwritten signature in black ink, appearing to read 'David Woolston'.

David Woolston
President
