

**TOWNSHIP OF MOORESTOWN**

**ORDINANCE NO. 24-2009**

**AN ORDINANCE AMENDING THE CODE OF THE TOWNSHIP OF MOORESTOWN  
BY THE CREATION OF CHAPTER 203  
“MUNICIPAL STORMWATER QUALITY” ORDINANCE**

**WHEREAS**, the Township Council of the Township of Moorestown, a municipal corporation in the County of Burlington, State of New Jersey, finds that the public health, safety, and general welfare of the community shall be promoted by the creation of a Stormwater Quality Ordinance; and

**WHEREAS**, the New Jersey Department of Environmental Protection (NJDEP) requires that the Township adopt and enforce certain stormwater quality ordinances to implement the New Jersey Pollutant Discharge Elimination System (NJPDES) rules at N.J.A.C. 7:14A, which will promote the public health, safety, and general welfare; and

**WHEREAS**, by the creation of a Stormwater Quality Ordinance that address pet waste, illicit connections, refuse containers/dumpsters, private storm drain inlet retrofitting, the improper disposal of waste, wildlife feeding, and a yard waste collection program, the Township will be in compliance with the NJPDES rules; and

**NOW, THEREFORE, BE IT ORDAINED** by the Township Council of the Township of Moorestown, in the County of Burlington, State of New Jersey as follows:

Section 1. The Code of the Township of Moorestown shall be amended by the addition of the following:

Chapter 203

STORMWATER QUALITY

ARTICLE I

Pet Waste

- 203-1. Purpose.
- 203-2. Definitions.
- 203-3. Requirement for Disposal.
- 203-4. Exemptions.
- 203-5. Enforcement.
- 203-6. Violations and Penalty.

ARTICLE II  
Improper Disposal of Waste

- 203-7. Purpose.
- 203-8. Definitions.
- 203-9. Prohibited Conduct.
- 203-10. Exceptions to Prohibition.
- 203-11. Enforcement.
- 203-12. Penalties.

ARTICLE III  
Wildlife Feeding

- 203-13. Purpose.
- 203-14. Definitions.
- 203-15. Prohibited Conduct.
- 203-16. Enforcement.
- 203-17. Violations and Penalties

ARTICLE IV  
Yard Waste Collection Program

- 203-18. Purpose.
- 203-19. Definitions.
- 203-20. Yard Waste Collection.
- 203-21. Enforcement.
- 203-22. Violations and Penalties.

ARTICLE V  
Illicit Connection

- 203-23. Purpose.
- 203-24. Definitions.
- 203-25. Prohibited Conduct.
- 203-26. Enforcement.
- 203-27. Violations and Penalties.

ARTICLE VI  
Refuse Containers/Dumpsters

- 203-28. Purpose.
- 203-29. Definitions.
- 203-30. Prohibited Conduct.
- 203-31. Enforcement.
- 203-32. Violations and Penalties.

ARTICLE VII  
Private Storm Drain Inlet Retrofitting

- 203-33. Purpose
- 203-34. Definitions.
- 203-35. Prohibited Conduct.
- 203-36. Design Standard.
- 203-37. Enforcement.
- 203-38. Violations and Penalties.

ARTICLE I  
Pet Waste

203-1. Purpose.

To establish requirements for the proper disposal of pet solid waste in the Township of Moorestown, so as to protect public health, safety and welfare, and to prescribe penalties for failure to comply.

203-2. Definitions.

For the purpose of this ordinance, the following terms, phrases, words and their derivations shall have the meanings stated herein unless their use in the text of this Chapter clearly demonstrates a different meaning. When not inconsistent with the context, words used in the present tense include the future, words used in the plural number include the singular number, and words used in the singular number include the plural number. The word “shall” is always mandatory and not merely directory.

**IMMEDIATE** – Shall mean that the pet solid waste is removed at once, without delay.

**OWNER/KEEPER** – Any person who shall possess, maintain, house or harbor any pet or otherwise have custody of any pet, whether or not the owner of such pet.

**PERSON** – Any individual, corporation, company, partnership, firm, association, or political subdivision of this State subject to municipal jurisdiction.

**PET** – A domesticated animal (other than a disability assistance animal) kept for amusement or companionship.

**PET SOLID WASTE** – Waste matter expelled from the bowels of the pet; excrement

**PROPER DISPOSAL** – Placement in a designated waste receptacle, or other suitable container, and discarded in a refuse container which is regularly emptied by the municipality or some other refuse collector; or disposal into a system designed to convey domestic sewage for proper treatment and disposal.

### 203-3. Requirement for Disposal

All pet owners and keepers are required to immediately and properly dispose of their pet's solid waste deposited on any property, public or private, not owned or possessed by that person.

### 203-4. Exemptions

Any owner or keeper who requires the use of a disability assistance animal shall be exempt from the provisions of this section while such animal is being used for that purpose.

### 203-5. Enforcement

The provisions of this Article shall be enforced by the Police Department and the Local Board of Health of The Township of Moorestown.

### 203-6. Violations and Penalty

Any person(s) who is found to be in violation of the provisions of this ordinance shall be subject to a fine not to exceed \$100.00 for the first offense, \$200.00 for the second offense and \$400.00 for the third and subsequent offenses.

## ARTICLE II Improper Disposal of Waste

### 203-6. Purpose

An ordinance to prohibit the spilling, dumping, or disposal of materials other than stormwater to the municipal separate storm sewer system (MS4) operated by the Township of Moorestown, so as to protect public health, safety and welfare, and to prescribe penalties for the failure to comply.

### 203-8. Definitions

For the purpose of this ordinance, the following terms, phrases, words and their derivations shall have the meanings stated herein unless their use in the text of this Chapter clearly demonstrates a different meaning. When not inconsistent with the context, words used in the present tense include the future, words used in the plural number include the singular number, and words used in the singular number include the plural number. The word "shall" is always mandatory and not merely directory.

**MUNICIPAL SEPARATE STORM SEWER SYSTEM (MS4)** – A conveyance or system of conveyances (including roads with drainage systems, municipal streets, catch basins, curbs, gutters, ditches, manmade channels, or storm drains) that is owned or operated by the Township of Moorestown or other public body, and is designed and used for collecting and conveying stormwater.

PERSON – Any individual, corporation, company, partnership, firm, association, or political subdivision of this State subject to municipal jurisdiction.

STORMWATER – Water resulting from precipitation (including rain and snow) that runs off the land's surface, is transmitted to the subsurface, is captured by separate storm sewers or other sewerage or drainage facilities, or is conveyed by snow removal equipment.

#### 203-9. Prohibited Conduct

The spilling, dumping, or disposal of materials other than stormwater to the municipal separate storm sewer system operated by the Township of Moorestown is prohibited. The spilling, dumping, or disposal of materials other than stormwater in such a manner as to cause the discharge of pollutants to the municipal separate storm sewer system is also prohibited.

#### 203-10. Exceptions to Prohibition

- A. Water line flushing and discharges from potable water sources
- B. Uncontaminated ground water (e.g., infiltration, crawl space or basement sump pumps, foundation or footing drains, rising ground waters)
- C. Air conditioning condensate (excluding contact and non-contact cooling water)
- D. Irrigation water (including landscape and lawn watering runoff)
- E. Flows from springs, riparian habitats and wetlands, water reservoir discharges and diverted stream flows
- F. Residential car washing water, and residential swimming pool discharges
- G. Sidewalk, driveway and street wash water
- H. Flows from fire fighting activities
- I. Flows from rinsing of the following equipment with clean water:
  - 1. Beach maintenance equipment immediately following their use for their intended purposes; and
  - 2. Equipment used in the application of salt and de-icing materials immediately following salt and de-icing applications. Prior to rinsing with clean water, all residual salt and de-icing materials must be removed from equipment and vehicles to the maximum extent practicable using dry cleaning methods (e.g., shoveling and sweeping). Recovered materials are to be returned to storage for reuse or properly discarded.
  - 3. Rinsing of equipment, as noted in the above situation is limited to exterior, undercarriage, and exposed parts and does not apply to engines or other enclosed machinery.

#### 203-11. Enforcement

This ordinance shall be enforced by the Police Department and/or other Municipal Officials of the Township of Moorestown.

#### 203-12. Penalties

Any person(s) who continues to be in violation of the provisions of this ordinance, after being duly notified, shall be subject to a fine not to exceed \$100.00 for the first offense, \$200.00 for the second offense and \$400.00 for the third and subsequent offenses.

### ARTICLE III Wildlife Feeding

#### 203-13. Purpose

An ordinance to prohibit the feeding of unconfined wildlife in any public park or on any other property owned or operated by the Township of Moorestown, so as to protect public health, safety and welfare, and to prescribe penalties for failure to comply.

#### 203-14. Definitions

For the purpose of this ordinance, the following terms, phrases, words and their derivations shall have the meanings stated herein unless their use in the text of this Chapter clearly demonstrates a different meaning. When not inconsistent with the context, words used in the present tense include the future, words used in the plural number include the singular number, and words used in the singular number include the plural number. The word “shall” is always mandatory and not merely directory.

**FEED** – To give, place, expose, deposit, distribute or scatter any edible material with the intention of feeding, attracting or enticing wildlife. Feeding does not include baiting in the legal taking of fish and/or game.

**PERSON** – Any individual, corporation, company, partnership, firm, association, or political subdivision of this State subject to municipal jurisdiction.

**WILDLIFE** – All animals that are neither human nor domesticated.

#### 203-15. Prohibited Conduct

No person shall feed, in any public park or on any other property owned or operated by the Township of Moorestown, any wildlife, excluding confined wildlife (for example, wildlife confined in zoos, parks or rehabilitation centers, or unconfined wildlife at environmental education centers).

#### 203-16. Enforcement

- A. This ordinance shall be enforced by the Police Department and/or other Municipal Officials of the Township of Moorestown.
- B. Any person found to be in violation of this ordinance shall be ordered to cease the feeding immediately.

## 203-17. Violations and Penalties

Any person(s) who is found to be in violation of the provisions of this ordinance shall be subject to a fine not to exceed \$100.00 for the first offense, \$200.00 for the second offense and \$400.00 for the third and subsequent offenses.

## ARTICLE IV Yard Waste Collection Program

### 203-18. Purpose

An ordinance to establish a yard waste collection and disposal program in the Township of Moorestown, so as to protect public health, safety and welfare, and to prescribe penalties for the failure to comply.

### 203-19. Definitions

For the purpose of this ordinance, the following terms, phrases, words and their derivations shall have the meanings stated herein unless their use in the text of this Chapter clearly demonstrates a different meaning. When not inconsistent with the context, words used in the present tense include the future, words used in the plural number include the singular number, and words used in the singular number include the plural number. The word “shall” is always mandatory and not merely directory.

**CONTAINERIZED** – Means the placement of yard waste in a trash can, bucket, bag or other vessel, such as to prevent the yard waste from spilling or blowing out into the street and coming into contact with stormwater.

**PERSON** – Any individual, corporation, company, partnership, firm, association, or political subdivision of this State subject to municipal jurisdiction.

**STREET** – Means any street, avenue, boulevard, road, parkway, viaduct, drive, or other way, which is an existing State, county, or municipal roadway, and includes the land between the street lines, whether improved or unimproved, and may comprise pavement, shoulders, gutters, curbs, sidewalks, parking areas, and other areas within the street lines.

**YARD WASTE** – Means leaves and grass clippings.

### 203-20. Yard Waste Collection

Sweeping, raking, blowing or otherwise placing yard waste that is not containerized at the curb or along the street is only allowed during the seven (7) days prior to a scheduled and announced collection, and shall not be placed closer than 10 feet from any storm drain inlet. Placement of such yard waste at the curb or along the street at any other time or in any other manner is a violation of this ordinance. If such placement of yard waste occurs, the party responsible for

placement of the yard waste must remove the yard waste from the street or said party shall be deemed in violation of this ordinance.

#### 203-21. Enforcement

The provisions of this ordinance shall be enforced by the Department of Public Works.

#### 203-22. Violations and Penalties

Any person(s) who is found to be in violation of the provisions of this ordinance shall be subject to a fine not to exceed \$50.00 for the first offense, \$100.00 for the second offense and \$250.00 for the third and subsequent offenses.

### ARTICLE V Illicit Connection

#### 203-23. Purpose

An ordinance to prohibit illicit connections to the municipal separate storm sewer system(s) operated by the Township of Moorestown, so as to protect public health, safety and welfare, and to prescribe penalties for the failure to comply.

#### 203-24. Definitions

For the purpose of this ordinance, the following terms, phrases, words and their derivations shall have the meanings stated herein unless their use in the text of this Chapter clearly demonstrates a different meaning. When not inconsistent with the context, words used in the present tense include the future, words used in the plural number include the singular number, and words used in the singular number include the plural number. The word “shall” is always mandatory and not merely directory.

**DOMESTIC SEWAGE** – Waste and wastewater from humans or household operations.

**ILLICIT CONNECTION** – Any physical or non-physical connection that discharges domestic sewage, non-contact cooling water, process wastewater, or other industrial waste (other than stormwater) to the municipal separate storm sewer system operated by the Township of Moorestown, unless that discharge is authorized under a NJPDES permit other than the Tier A Municipal Stormwater General Permit (NJPDES Permit Number NJ0141852). Non-physical connections may include, but are not limited to, leaks, flows, or overflows into the municipal separate storm sewer system.

**INDUSTRIAL WASTE** – Non-domestic waste, including, but not limited to, those pollutants regulated under Section 307(a), (b), or (c) of the Federal Clean Water Act (33 U.S.C. § 1317 (a), (b), or (c)).

**MUNICIPAL SEPARATE STORM SEWER SYSTEM (MS4)** – A conveyance or system of conveyances (including roads with drainage systems, municipal streets, catch basins, curbs,

gutters, ditches, manmade channels, or storm drains) that is owned or operated by the Township of Moorestown or other public body, and is designed and used for collecting and conveying stormwater.

**NJPDES PERMIT** – A permit issued by the New Jersey Department of Environmental Protection to implement the New Jersey Pollutant Discharge Elimination System (NJPDES) rules at N.J.A.C. 7:14A.

**NON-CONTACT COOLING WATER** – Water used to reduce temperature for the purpose of cooling. Such waters do not come into direct contact with any raw material, intermediate product (other than heat) or finished product. Non-contact cooling water may however contain algaecides, or biocides to control fouling of equipment such as heat exchangers, and/or corrosion inhibitors.

**PERSON** – Any individual, corporation, company, partnership, firm, association, or political subdivision of this State subject to municipal jurisdiction.

**PROCESS WASTEWATER** – Any water which, during manufacturing or processing, comes into direct contact with or results from the production or use of any raw material, intermediate product, finished product, byproduct, or waste product. Process wastewater includes, but is not limited to, leachate and cooling water other than non-contact cooling water.

**STORMWATER** – Water resulting from precipitation (including rain and snow) that runs off the land's surface, is transmitted to the subsurface, is captured by separate storm sewers or other sewerage or drainage facilities, or is conveyed by snow removal equipment.

#### 203-25. Prohibited Conduct

No person shall discharge or cause to be discharged through an illicit connection to the municipal separate storm sewer system operated by the Township of Moorestown any domestic sewage, non-contact, cooling water, process wastewater, or other industrial waste (other than stormwater).

#### 203-26. Enforcement

This ordinance shall be enforced by the Department of Public Works and/or other Municipal Officials of the Township of Moorestown

#### 203-27. Violations and Penalties

Any person(s) who is found to be in violation of the provisions of this ordinance shall be subject to a fine not to exceed \$500.00 for the first offense, \$750.00 for the second offense and \$1,500.00 for the third and subsequent offenses.

ARTICLE VI  
Refuse Containers/Dumpsters

203-28. Purpose

An ordinance requiring dumpsters and other refuse containers that are outdoors or exposed to stormwater to be covered at all times and prohibiting the spilling, dumping, leaking, or otherwise discharge of liquids, semi-liquids or solids from the aforementioned dumpsters and refuse containers to the municipal separate storm sewer system(s) operated by the Township of Moorestown and/or the waters of the State so as to protect public health, safety and welfare, and to prescribe penalties for the failure to comply.

203-29. Definitions

For the purpose of this ordinance, the following terms, phrases, words, and their derivations shall have the meanings stated herein unless their use in the text of this Chapter clearly demonstrates a different meaning. When not inconsistent with the context, words used in the present tense include the future, words used in the plural number include the singular number, and words used in the singular number include the plural number. The word “shall” is always mandatory and not merely directory.

**MUNICIPAL SEPARATE STORM SEWER SYSTEM (MS4)** – A conveyance or system of conveyances (including roads with drainage systems, municipal streets, catch basins, curbs, gutters, ditches, manmade channels, or storm drains) that is owned or operated by the Township of Moorestown and is designed and used for collecting and conveying stormwater.

**PERSON** – Any individual, corporation, company, partnership, firm, association, or political subdivision of this State subject to municipal jurisdiction.

**REFUSE CONTAINER** – Any waste container that a person controls whether owned, leased, or operated, including dumpsters, trashcans, garbage pails, and plastic trash bags.

**STORMWATER** – Means water resulting from precipitation (including rain and snow) that runs off the land’s surface, is transmitted to the subsurface, or is captured by separate storm sewers or other sewerage or drainage facilities.

**WATERS OF THE STATE** – Means the ocean and its estuaries, all springs, streams and bodies of surface or ground water, whether natural or artificial, within the boundaries of the State of New Jersey or subject to its jurisdiction.

203-30. Prohibited Conduct

Any person who controls, whether owned, leased, or operated, a refuse container or dumpster must ensure that such container or dumpster is covered at all times and shall prevent refuse from spilling out or overflowing.

Any person who owns, leases or otherwise uses a refuse container or dumpster must ensure that such container or dumpster does not leak or otherwise discharge liquids, semi-liquids or solids to the municipal separate storm sewer system(s) operated by the Township of Moorestown.

#### Exceptions to Prohibition

- a. Permitted temporary demolition containers
- b. Litter receptacles (other than dumpsters or other bulk containers)
- c. Individual homeowner trash and recycling containers
- d. Refuse containers at facilities authorized to discharge stormwater associated with industrial activity under a valid NJPDES permit
- e. Containers that hold large bulky items (e.g., furniture, bound carpet and padding)

#### 203-31. Enforcement:

This ordinance shall be enforced by the Police Department and/or other Municipal Officials of the Township of Moorestown.

#### 203-32. Violations and Penalties

Any person(s) who is found to be in violation of the provisions of this ordinance shall be subject to a fine not to exceed \$100.00 for the first offense, \$200.00 for the second offense and \$400.00 for the third and subsequent offenses.

### ARTICLE VII Private Storm Drain Inlet Retrofitting

#### 203-33. Purpose

An ordinance requiring the retrofitting of existing storm drain inlets which are in direct contact with repaving, repairing, reconstruction, or resurfacing or alterations of facilities on private property in the Township of Moorestown to prevent the discharge of solids and floatables (such as plastic bottles, cans, food wrappers and other litter) to the municipal separate storm sewer system(s) operated by the Township of Moorestown so as to protect public health, safety and welfare, and to prescribe penalties for the failure to comply.

#### 203-34. Definitions

For the purpose of this ordinance, the following terms, phrases, words, and their derivations shall have the meanings stated herein unless their use in the text of this Chapter clearly demonstrates a different meaning. When not inconsistent with the context, words used in the present tense include the future, words used in the plural number include the singular number, and words used

in the singular number include the plural number. The word “shall” is always mandatory and not merely directory.

**MUNICIPAL SEPARATE STORM SEWER SYSTEM (MS4)**– A conveyance or system of conveyances (including roads with drainage systems, municipal streets, catch basins, curbs, gutters, ditches, manmade channels, or storm drains) that is owned or operated by the Township of Moorestown and is designed and used for collecting and conveying stormwater.

**PERSON** – Any individual, corporation, company, partnership, firm, association, or political subdivision of this State subject to municipal jurisdiction.

**STORM DRAIN INLET** - An opening in a storm drain used to collect stormwater runoff and includes, but is not limited to, a grate inlet, curb-opening inlet, slotted inlet, and combination inlet.

**WATERS OF THE STATE** – Means the ocean and its estuaries, all springs, streams and bodies of surface or ground water, whether natural or artificial, within the boundaries of the State of New Jersey or subject to its jurisdiction.

#### 203-35. Prohibited Conduct

No person in control of private property (except a residential lot with one single family house) shall authorize the repaving, repairing (excluding the repair of individual potholes), resurfacing (including top coating or chip sealing with asphalt emulsion or a thin base of hot bitumen), reconstructing or altering any surface that is in direct contact with an existing storm drain inlet on that property unless the storm drain inlet either:

1. Already meets the design standard in Section 203-36 below to control passage of solid and floatable materials; or
2. Is retrofitted or replaced to meet the standard in Section 203-36 below prior to the completion of the project.

#### 203-36. Design Standard

Storm drain inlets identified in Section 203-35 above shall comply with the following standard to control passage of solid and floatable materials through storm drain inlets. For exemptions to this standard, see **Item 3** below.

1. Either of the following grates shall be used whenever a grate located in pavement or other ground surface is used to collect stormwater from that surface and discharge into a storm drain or surface water body under that grate:
  - a. The New Jersey Department of Transportation (NJDOT) bicycle safe grate, which is described in Chapter 2.4 of the NJDOT Bicycle Compatible Roadways and Bikeways Planning and Design Guidelines (April 1996); or

- b. A different grate, if each individual clear space in that grate has an area of no more than seven (7.0) square inches, or is no greater than 0.5 inches across the smallest dimension.

Examples of grates subject to this standard include grates in grate inlets, the grate portion (non-curb-opening portion) of combination inlets, grates on storm sewer manholes, ditch grates, trench grates, and grates of spacer bars in slotted drains. Examples of ground surfaces include surfaces of roads (including bridges), driveways, parking areas, bikeways, plazas, sidewalks, lawns, fields, open channels, and stormwater basin floors.

2. Curb-opening inlets shall have a curb opening area of no more than seven (7.0) square inches, or be no greater than two (2.0) inches across the smallest dimension.
3. This standard does not apply:
  - a. In new development or redevelopment projects where the municipal engineer determines that this standard would cause inadequate hydraulic performance that could not practicably be overcome by using additional or larger storm drain inlets that meet these standards;
  - b. In the retrofitting of existing storm drain inlets where the municipal engineer determines that this standard would cause inadequate hydraulic performance.
  - c. Where flows from the water quality storm as specified in N.J.A.C. 7:8 are conveyed through any device (e.g., end of pipe netting facility, manufactured treatment device, or a catch basin hood) that is designed, at a minimum, to prevent delivery of all solid and floatable materials that could not pass through one of the following:
    - i. A rectangular space four and five-eighths inches long and one and one-half inches wide (this option does not apply for outfall netting facilities); or
    - ii. A bar screen having a bar spacing of 0.5 inches.
  - d. Where flows are conveyed through a trash rack that has parallel bars with one-inch (1") spacing between the bars to the elevation of the water quality storm as specified in N.J.A.C. 7:8; or
  - e. Where the New Jersey Department of Environmental Protection determines, pursuant to the New Jersey Register of Historic Places Rules at N.J.A.C. 7:4-7.2(c), that action to meet this standard is an undertaking that constitutes an encroachment or will damage or destroy the New Jersey Register listed historic property.

### 203-37. Enforcement

This ordinance shall be enforced by the Police Department and/or other Municipal Officials of the Township of Moorestown.

### 203-38. Violations and Penalties

Any person(s) who is found to be in violation of the provisions of this ordinance shall be subject to a fine not to exceed \$250.00 for each storm drain inlet that is not retrofitted to meet the design standard.

Section 2.     Continuation. In all other respects, the Code of the Township of Moorestown shall remain in full force and effect.

Section 3.     Repealer. Any and all other ordinances inconsistent with any of the terms and provisions of this ordinance are hereby repealed to the extent of such inconsistencies.

Section 4.     Severability. In the event that any section or paragraph, clause, phrase, term, provision, or part of this ordinance shall be adjudged by a court of competent jurisdiction to be invalid or unenforceable for any reason, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the section, paragraph, clause, phrase, term, provision or part thereof directly involved in the controversy in such judgment shall be rendered.

Section 5.     Effective Date. This Ordinance shall take effect twenty (20) days after the first publication thereof, after final passage and in accordance with law.

Section 6.     Short Title. This Ordinance shall be known as Ordinance 24-2009.

#### NOTICE

The ordinance published herewith was introduced and passed upon first reading at a meeting of the Township Council of the Township of Moorestown, County of Burlington, State of New Jersey, held on August 31, 2009. This ordinance will be further considered for final passage by the Township Council at a meeting to be held in the William Allen Middle School, 801 North Stanwick Road, Moorestown, NJ on September 14, 2009 at 7:30 pm or at any time and place to which such meeting may be adjourned. All persons interested will be given the opportunity to be heard concerning such ordinance. During the week prior to and including the date of such further consideration, copies will be made available at the Municipal Clerk's Office in said Municipal Building to any member of the general public who shall request such copies.

Patricia L. Hunt, RMC  
Township Clerk
