

**TOWNSHIP OF MOORESTOWN**

**RESOLUTION NO. 100-2013**

**RESOLUTION OF THE TOWNSHIP OF MOORESTOWN  
AUTHORIZING THE EXECUTION OF AN INSTALLATION AND REPAYMENT  
AGREEMENT WITH PSE&G FOR THE INSTALLATION OF ENERGY  
CONSERVATION MEASURES AT THE RECREATION CENTER**

**WHEREAS**, PSE&G has established a Direct Install Program for Government/Non-Profit Facilities Customers for the installation of certain energy and conservation measures (ECMs); and

**WHEREAS**, PSE&G's contractor has, at PSE&G's cost, performed an audit of the second and third floors of the Township Recreation Center and identified inefficiencies which may be corrected with the replacement of existing lighting; and

**WHEREAS**, the contractor has prepared and PSE&G has offered to the Township an Energy Efficiency Upgrade Proposal for the replacement of certain lights in the Recreation Center under such terms and conditions as are described in the Proposal, which is attached to this Resolution; and

**WHEREAS**, the Proposal calls for a total cash outlay by the Township of \$124.65/month for 24 months, payable as part of the Township electrical bills in return for receiving \$14,958 of new lighting; and

**WHEREAS**, such lighting, being energy efficient, is projected to save the Township \$113/month in electrical costs, reducing the amount to be paid by the Township to approximately \$11/month for the 24 month period, and then representing an overall savings in electrical costs to the Township thereafter; and

**NOW, THEREFORE, BE IT RESOLVED** by the Mayor and Township Council of the Township of Moorestown as follows:

1. The Township Manager is hereby authorized to execute the Installation and Repayment Agreement with PSE&G which reflects the terms of the Proposal attached to this Resolution and to undertake all other actions as may be necessary to implement the work described in the Proposal.
