

TOWNSHIP OF MOORESTOWN

RESOLUTION NO. 168-2014

**APPROVING PLAN AND DESIGN
FOR THE “NORTH CHURCH STREET WATER TREATMENT PLANT
EMERGENCY GENERATOR INSTALLATION” PROJECT**

WHEREAS, N.J.S.A. 59:4-6 provides in pertinent part that neither the public entity nor a public employee is liable for an injury caused by the plan or design of public property or any improvement thereto where the plan or design was approved in advance of construction by the governing body or a public employee exercising discretionary authority on its behalf or where such plan or design was prepared in conformity with standards previously approved by the governing body; and

WHEREAS, the following improvements to public property have been designed by Remington & Vernick Engineers and Affiliates; and

WHEREAS, the Township of Moorestown wishes to record its approval of said design.

NOW, THEREFORE, BE IT RESOLVED by the Township Council of the Township of Moorestown as follows:

1. Plans and specifications entitled “North Church Street Water Treatment Plant Emergency Generator Installation” prepared by Remington & Vernick Engineers and Affiliates dated October 2013 are hereby approved.
2. Upon the completion of the improvements described herein above, Remington & Vernick Engineers and Affiliates shall inspect said improvements and certify to the Township Council that, before final payment is made for same, said improvements have been constructed in accordance with the above-referenced plans, specifications and design.
3. The Township Clerk shall archive this Resolution in a manner consistent with the purpose of perpetually documenting governmental immunity in the event of any claim based upon the plan, design or construction of the improvement.
